Dr. Krishna R. Devarakonda, PhD

Founder & Chief Scientific Officer, 6-S Pharma Inc.

Ex-Vice President of Clinical Development, Mallinckrodt Pharmaceuticals, USA

Dr. Krishna Devarakonda is a highly respected pharmaceutical professional with over 47 years of experience in academia, research, and the pharmaceutical industry. He holds a Ph.D. in Clinical Pharmacology from Kakatiya University, India, and has completed postdoctoral work as a Humboldt Fellow in Germany.

Currently serving as the Founder and chief scientific officer at 6-S Pharma Inc. and senior scientific adviser at Isha Therapeutics LLC and Daya Drug Discoveries LLC, Dr. Devarakonda is recognized for his leadership in drug discovery and development. His extensive industry experience includes a notable tenure as Vice President of Clinical Development at Mallinckrodt Pharmaceuticals, where he led key initiatives for NDAs and ANDAs across multiple areas.

Dr. Devarakonda worked for over 25 years as a Professor of Pharmacology & Clinical Pharmacy at Kakatiya University in India. A dedicated educator, he has mentored over 25 Ph.D. and 60 MS students. His academic appointments include serving as an Adjunct and Visiting Professor at the University of the Pacific, California. Throughout his career, he has maintained a strong focus on teaching and mentoring, earning widespread admiration from students and colleagues.

Prof. Devarakonda has published over 200 publications, book chapters, and conference abstracts and holds over ten patents. His numerous accolades include the Mallinckrodt and Covidien Innovation Awards, the Khorana Memorial Award, and the Best Scientist Award at the All-India APTI Convention. As a Fellow of the American College of Clinical Pharmacology (FCP), he continues to impact the field of clinical pharmacology globally while inspiring the next generation of professionals.
