

NEUROTHERAPEUTICS SEMINAR SERIES

TEXAS A&M HEALTH

Institute of Pharmacology
and Neurotherapeutics

Thalamic Neuromodulation in Epilepsy

Wednesday, May 31, 2023

HSC Bryan Campus/MREB1 Room 1151

12:00 - 1:00 PM CT

Lunch Provided --- Q&A Session & Networking Opportunity

Join via Zoom  Meeting ID: 942 5772 9124 Passcode: 052206

Dr. Sandipan Pati, MD

*Associate Professor in Neurology, Texas Comprehensive Epilepsy Program
McGovern Medical School, The University of Texas Health Science Center at Houston*

Dr. Sandipan Pati is a board-certified neurologist and epileptologist practicing at the level-IV Texas Comprehensive Epilepsy Program at UT Health Science Center, McGovern Medical School. Dr. Pati received his medical degree at the Jawaharlal Institute of Postgraduate Medical Education and Research in Pondicherry, India, and is a member of the Royal College of Physicians (MRCP) in the United Kingdom. He completed residency training in the UK in internal medicine at the University of Birmingham NHS Hospitals; in neurology at John Radcliffe Hospital, Oxford University Hospitals NHS in Oxford; and in epilepsy at the National Epilepsy Center, National Hospital for Neurology and Neurosurgery of University College London Hospitals.

He completed his residency training at Barrow Neurological Institute, Phoenix, and fellowship training at Massachusetts General Hospital, Harvard University. Dr. Pati directs the Epilepsy Neuromodulation Clinic and is the Epilepsy fellowship director. His clinical and research interests are focused on treatment-resistant epilepsies, with the goal of developing efficient neuromodulation paradigms to treat seizures and cognitive co-morbidities, such as depression and memory loss.

Dr. Pati

Host: Dr. Samba Reddy
